

Wedding

“Therefore a man leaves his father and his mother and clings to his wife, and they become one flesh.” (Genesis 1: 24)

Congratulations on your upcoming wedding! We pray for your success and happiness as you embark upon the Holy Covenant of marriage. We want to do all we can to help make your celebration as special as possible.

The Pastor is available to all members of Bethlehem Baptist Church for weddings. Couples must first participate in premarital counseling with the Pastor. This counseling helps to examine, understand, and reinforce the couple’s readiness to take and to keep the sacred **Covenant** vows of marriage.

Please call the Pastor to schedule a premarital interview at least nine months before your desired wedding date. You and your betrothed should expect to attend at least four counseling sessions with the Pastor. Assuming that all is in order after the pastoral interview and premarital sessions, your wedding date will be scheduled and the date secured on the Church calendar. You will then be informed of any fees or requirements regarding the ceremony and use of the facility.
